Examiner Note: You must sign this form unless it is an						
Attachment to a signed Office action.	Examiner's sig	nature, if required				

Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Applicant's representative presented proposed amendment to the above claims. The proposed claims recite "ultraviolet radiation" while the light source of Ohm et al. emits black light "fluorescent light". Copies of the definition and reference of black light, ultraviolet radiation emitting the ultraviolet wavelength and black LED are provided. Attached also is the proposed amendment. This application will be reconsidered in light of a proper amendment and remarks contained therein as well as subject to an updated and or further search.
